### **REASONS FOR ALLOWANCE & EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

None elected claims 8 - 9 and 17 - 19 have been canceled. These claims were not elected in the election made without traverse on 1/18/05.

The following is an examiner's statement of reasons for allowance:

The prior art does not teach the recited apparatus comprising an interposer, which supports a portion of an integrated circuit package, with a lip and a card with an opening to receive a portion of the interposer and a portion of the card to be supported by the lip.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
